

**To be learned
is good if they
hearken unto
the counsels of
God.**

**The home is the first
and most effective place
to learn the lessons of
life: truth, honor, virtue,
self-control, the value of
education, honest work,
and the purpose and
privilege of life. Nothing
can take the place of
home in rearing and
teaching children, and
no other success can
compensate for failure
in the home.**
